TO THE UNDERGRADS

We of the Class of '52 wish to express our sincere gratitude to the underclassmen for their loyal support of our school activities. Due to the whole-hearted participation of the undergrads in athletics, forensics, music and clubs, our years of high school have taken on a fuller meaning and greater richness. We seniors hope these years will mean as much to you as they do to us.

CLUBS AND ACTIVITIES

Life at Heights High wouldn't be quite complete without the various clubs and activities to interest each student. Sports, musicals, class meetings, many different clubs, class parties, and memorable dances all claimed a place in the spotlight of events.

all knowledge is not in BOOKS

. . . much is learned from LIFE

STUDENT COUNCIL

Officers this past year were: Douglas Murray, president; Janet Jackson, vice-president; Theresa Peliotes, secretary; and James W. Verduin, adviser.

Among the many projects undertaken were: purchase of cheerleaders' uniforms, pep assemblies during football season; student exchange day with Muskegon, dances for the students, and an exchange assembly in the spring. Serving on the Student Council is considered a great honor, and gives the student good experience in learning how democracy works. Students found Doug Murray a capable president for three consecutive years, and owe much to Mr. Verduin, adviser.

Back row: Glacz, Scholtens, Gust, LaPorta.
Middle row: Morrow, Stryker, McClary, Wiersma, McIntyre, Miss Eleanor Kidwell.
Front row: Grant, Morrow, Evans, Anderson, Nicholson.

LIBRARY CLUB WORKERS

The Library Club was organized to serve the faculty and student body, to inspire the students with a love of reading, and to develop girls into capable library assistants. The club work is a fine opportunity for those girls who intend to be librarians.

The members have a great many duties. They check out books and prepare them for circulation by shellacking their covers. They shelve returned books, keep the books in order, and see to it that the periodical storage room is kept in order.

Debate here at Heights High attracted approximately 17 people during the 1951-52 season. Because the term of the previous year was composed entirely of seniors, Coach E. W. Gillaspy had to build his varsity team from almost all inexperienced people. The only returning debater was Alan Edick.

The team opened the season by dropping the decisions at Grand Rapids South. After consecutive losses to a strong Grand Rapids Union team and to Grand Rapids Central, the season was closed with two wins over Muskegon High School, making the season somewhat successful.

Affirmative debaters were: Dorothy Hesselink and Alan Edick, and the negative debaters were: Harriett Lee and John Vitek.

DEBATERS DEFEAT MUSKEGON

Standing: Coach Gillasyp, Lee.
Seated: Edick, Hesselink, Vitek.

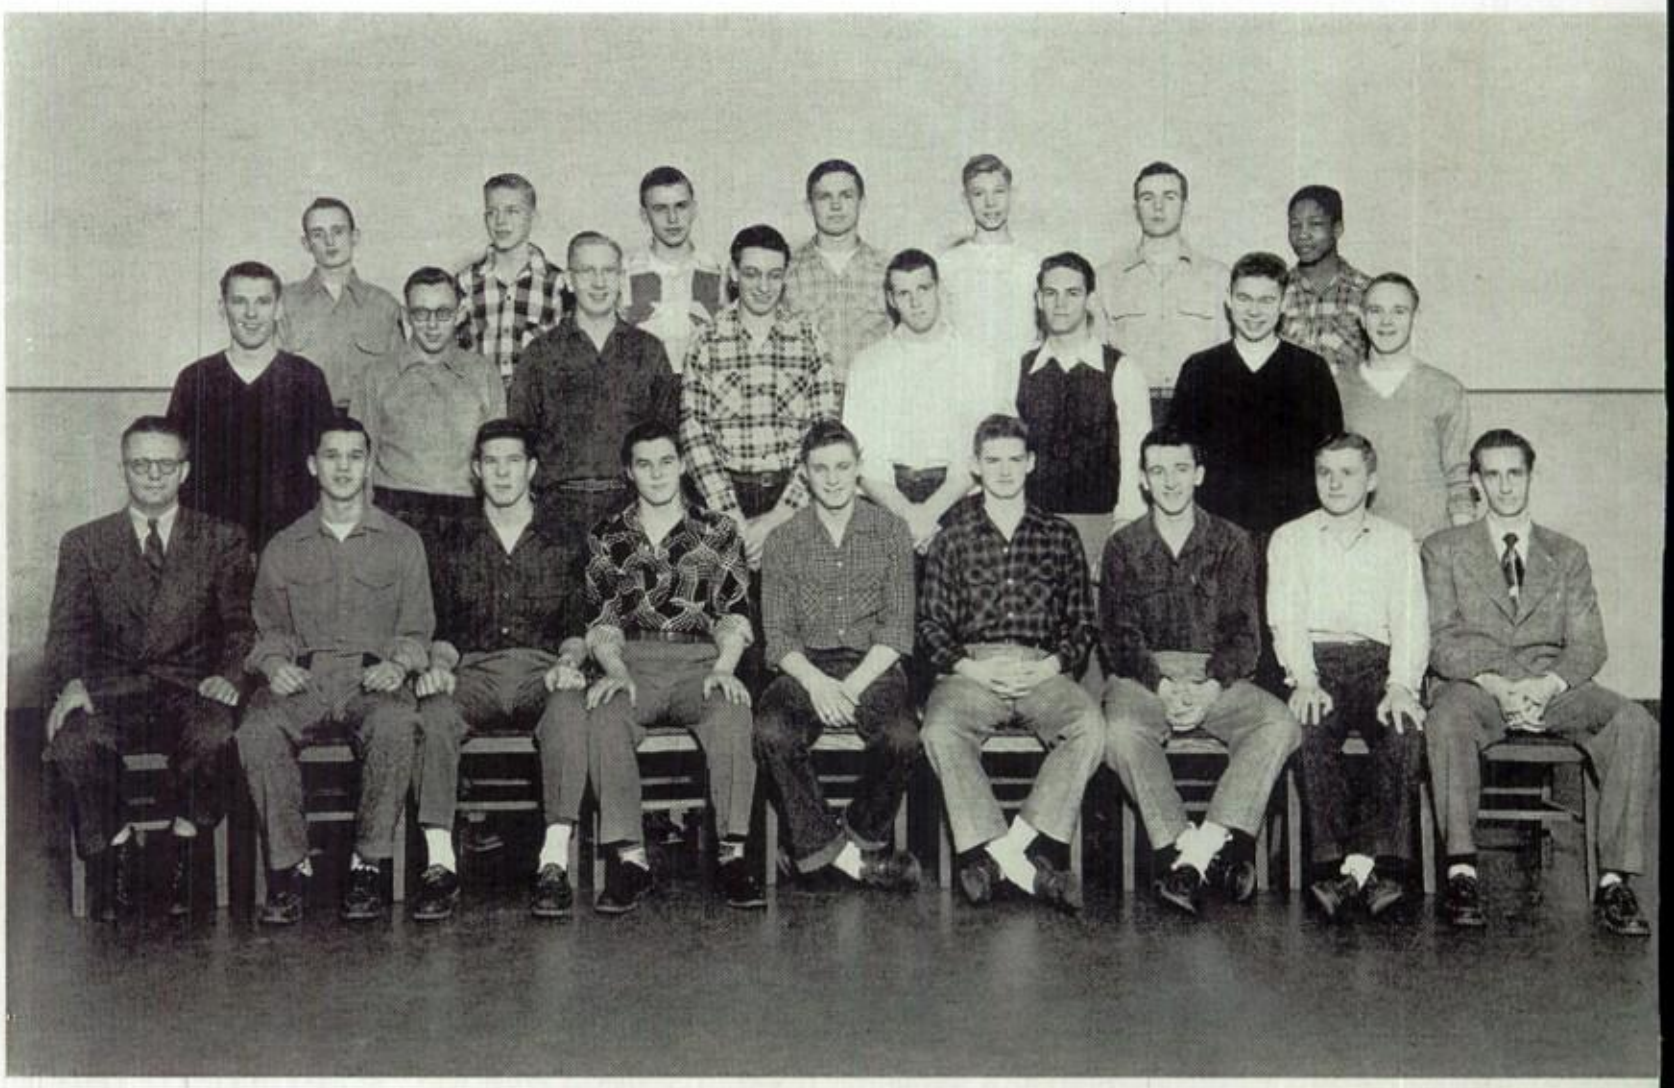
FORENSICS DRAW INTEREST

As the Oaks went to press, our speech contestants, under the direction of Miss Royse, were preparing for the annual contest between Muskegon, Holland, and Muskegon Heights. Our contestants, who were winners in the school contests, were: Declamation, Carol Hotham and Connie Herrala; Oratory, Dorothy Hesselink and Alan Edick; Dramatic Reading, Bob Bredin and Marilyn Verduin; Extemporaneous speaking, Roger Harvey and John Vitek; and in Humorous Reading, Millie Januska, and Marilyn Hamilton.



Back row: Edick, Harvey, Knopf, Davies, Bluhm, Olson, Baldwin.
Middle row: Moran, Ridgeway, Tjapkes, Retsema, Wright, Murray, Tuttle, Boles.
Front row: Mr. Krueger, Premo, Pohl, Wood, Bredin, MacIntosh, Miesen, Baker, Mr. Schregardus, adviser.

HI-Y IS IN THE SWIM

With Bob Bredin, president; Keith Pohl, vise-president; Bruce MacIntosh, secretary; and John Wood, treasurer; our Hi-Y was one of the most active organizations in the school. Always ready with a helping hand, the members pitched together this year to give an unfortunate family one of its most wonderful Christmasses, complete with tree and gifts.

In addition, the club sponsored a dance, an Easter program for the school, and contributed handsomely to the Community Chest.

Hi-Y advisers were Mr. Schregardus and Mr. Krueger.

Top row: Burnett, Herrela, Kozur, Anderson, Andree, Dykema, Roberts, Zimmer, Wannamaker, Shelkey, Dunham.
2nd row: Peterson, Buck, Hartsema, Hamilton, VanderWeele, Appel, Verduin, Biscowski, Lee, Pawlak, Sterkenburg, Scholtens.
1st row: Mrs. W. E. Murray, Adviser; Hesselink, Steenhagen, Neis, O'Reilly, Balas, Decent, Peterson, Peliotes, Norden.

Y-TEENS ARE ALIVE

The Y-Teens, an organization open to all high school girls, is sponsored by the local YWCA, and has as its purpose "to build a fellowship of women and girls devoted to the task of Christian living."

Activities have been the "Bow-Leg Bounce," a popular western-style dance, and a party for new members at which a former Powers' model spoke on charm. At a Greater Muskegon Y-Teen style show, 10 Heights High girls served as models. A tea was held in May for senior girls, faculty members, and their wives. Mrs. Florence Murray is adviser.

The "Booster" Club means just what it says. It is formed to help the athletic department. The club is reorganized every September and continues through until June without accepting new members in February. It is an honor to be a member of this club as only those with at least a "B" average and 500 points from gym are eligible to join.

Booster club members have participated in many activities. They served at two football banquets, and sponsored a formal dance at Christmas.

The officers of the club this year were: President, Theresa Peliotes; vice-president, Carol Bringedahl; secretary, Virginia Davies; treasurer, Virginia Hartsema. Miss Maxine Cobb is adviser.

THE BOOSTER CLUB BOOSTS

Back row: Januska, Mattson, Keglovitz, Sterkenburg, Miss Cobb, adviser.

Front row: Cook, Brannan, Bickowski, Hamilton, Edick, Gustafson, Keefer, Singer, Premo.

OUR SPANISH CLUB DOES THINGS

To develop a better understanding of Spanish-speaking people and their customs, Spanish Club has been entertained with travelogues and films by guests. For all-round enjoyment and good fellowship, there were parties, Pan American Day celebrations, a music program, dances, and ending the year's festivities was a pot luck supper and games. Officers were: Alan Edick, president; Marilyn Hamilton, vice-president; Sharlene Gustafson, secretary; and Shirley Bickowski, treasurer. Mrs. Ruth Hastings is the adviser.

Back Row: N. Anderson, Wiegart, Kieft, C. Anderson, Bugaski, J. Morrow.

Front row: VanBrocklin, Pelfresne, L. Morrow, Wilde, Borns, Fielstra, Hesselink.

FUTURE NURSES ACTIVE

The aim of this worthy organization is to further the interest of nursing in girls of this high school. This club began in the fall of 1950, with no restrictions on membership.

The girls meet once a month and participate in many activities. They have a newspaper called "Ticketape" which is put out by a committee that compiles all the news of the Future Nurses of Michigan.

Officers for the year were: President, Louise Morrow; vice-president, Ann Pelfresne; secretary, Gloria Borns; treasurer, Donna Van Brocklin; publicity, Dorothy Hesselink; card chairman, Jean Wilde; advisers, Mrs. E. A. Wagenaar, Mrs. R. D. Risk, and Mrs. C. A. Wolcott.

Top row: Edick, Whalen, Rosenhauer, D. Murray, Mr. Murray, Mr. Koehn, Cobb, Link, Golliver, Deitz, Jeter, Jim Cook.

Front row: Van Pelt, Ackerman, Campbell, Verduin, Smith, Peterson, Hartsema, Wiersma, Hamilton, Melcher.
Absent when picture was taken was Nancy Franks, Co-editor (she was busy selling subscriptions to — you guessed it — The Oaks).

1952 OAKS STAFF

The Acorn, student newspaper, was founded in 1930 by the present journalism adviser, W. E. Murray. The Oaks, senior class yearbook, began in 1921. Both have proved popular through the years.

Each year about 1200 Oaks are sold by seniors. Mr. J. V. Cobb is staff photographer; C. F. Koehn and his boys, printing; C. F. Bolt, principal, business; Miss Kathryn Keillor, art adviser; and Mr. Murray, publications director.

Editors this year are Nancy Franks and Doug Murray, assisted by Marilyn Verduin and Virginia Hartsema, senior editors; Alan Edick, Jim Cook and Cal Jeter, sports; Eldonna Peterson and Donna Lou LaMie, art. Donna designed our top-notch cover.

"Junior Miss," an exciting three-act comedy by Jerome Chodorov and Joseph Fields, revolved around Judy Graves, an over-energetic teen-ager, who managed to keep the whole family in a continual state of confusion.

The play was chosen again for presentation this year because of its overwhelming success in 1944, and afforded top-flight entertainment for capacity crowds on both nights of its presentation.

Directors were Miss Julia Royse, Miss Anne Whitfield, and Mr. Eugene Gillaspy.

Choir I was started at the beginning of the school term by Director Maynard Buck. The purpose was to give the incoming sophomores and other students interested in music, a chance to train their voices so they may advance to Choir II which is open to all students with one or two semesters of choir experience.

Consisting of forty-six members, the choir participated in school activities such as the Annual Christmas and spring concert.

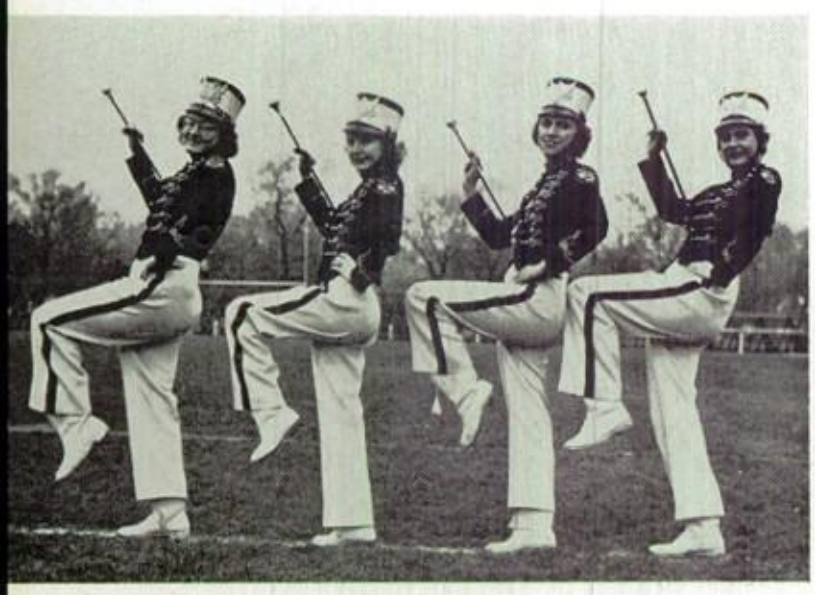
A CAPPELLA CHOIR II

Choir II, under the direction of Maynard Buck, has progressed greatly and ranks one of the highest position among choirs in Western Michigan. Consisting of fifty-four members, the choir has not only participated in many school activities, but also took part in community affairs, such as the Teachers Club dinner, caroling at Rowan Park, and Woman's Club.

This year the Choir, combined with Orchestra and Choir I, gave a Christmas and spring concert.

OUR OUTSTANDING '52 BAND



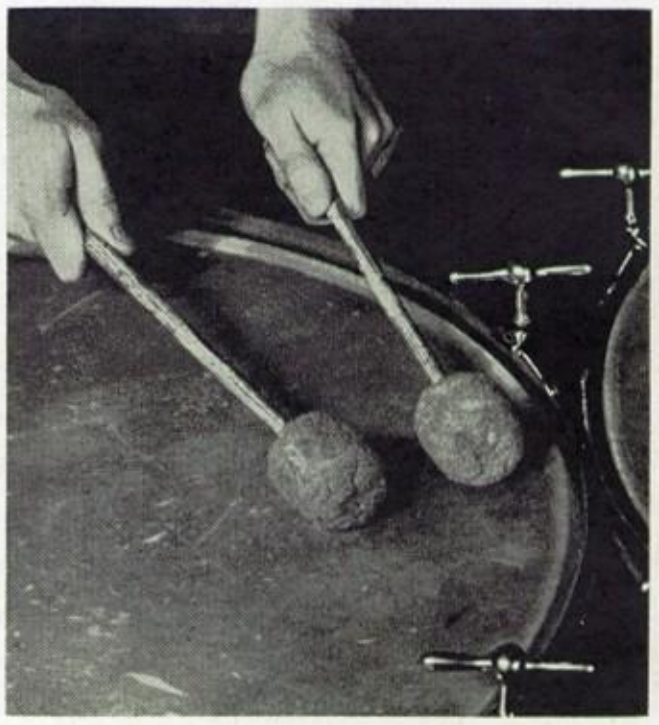
Our band, under the able direction of Paul G. Liddicioat, presented fine entertainment for thousands of people during the school year.

During football season, the marching band with over 100 members performed during each half-time, raising spirits high with snappy marches and unique formations. Parades, pep assemblies, and even a trip to the annual Band Festival in Ann Arbor at the University of Michigan kept members busy.

PREPARES FOR SPRING CONCERT

With the closing of the marching season, the band began its concert work. Activities of the band included such outstanding programs as the annual "Heights Night" show and the Spring Concert held in April.

For the first time, the District Band and Orchestra concert was held here in Muskegon. Our band took a first division rating, as did many of its members in the District Solo and Ensemble Contest held in Grand Haven.



Director Maynard Buck kept things progressing all through the year. Both a friend and teacher, he did much to make music a part of his students' lives.

Standing is Director, Maynard Buck.

ORCHESTRA

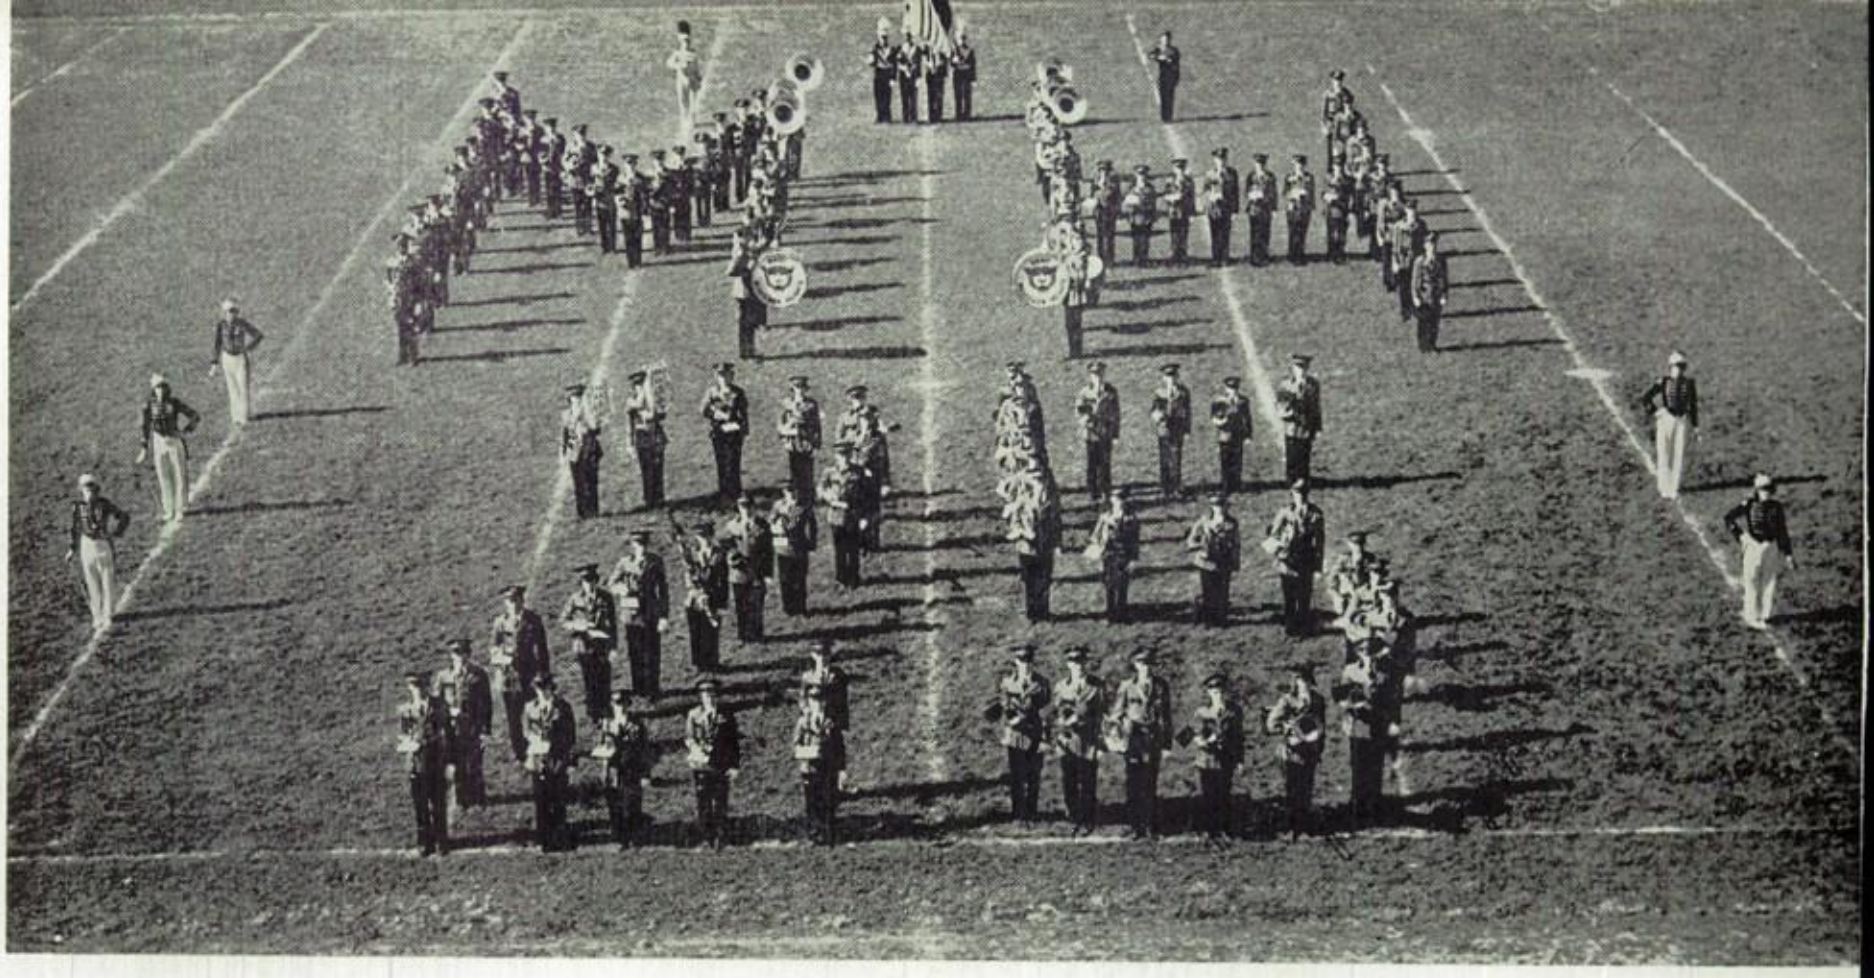
Throughout the entire school year our orchestra provided music for various activities. Graduation ceremonies, plays, and even a special Christmas assembly were included on the agenda.

In addition, the orchestra presented three concerts, one in which the orchestra and choir combined for an exceptionally fine program. Warner Galombeck, a member of the West Shore Symphony and one of the grade school music directors in the Heights, was guest conductor for a fall program.

The Spring concert featured four senior soloists. These were Dan Premo, cello; Bill Tucker, clarinet; Lois Griffes, violin and Nancy Franks, flute.

This year eight members of the orchestra were privileged to attend the Western Michigan Band and Orchestra Clinic held in Grand Rapids.

PRESENTS CONCERT



Marching Along!

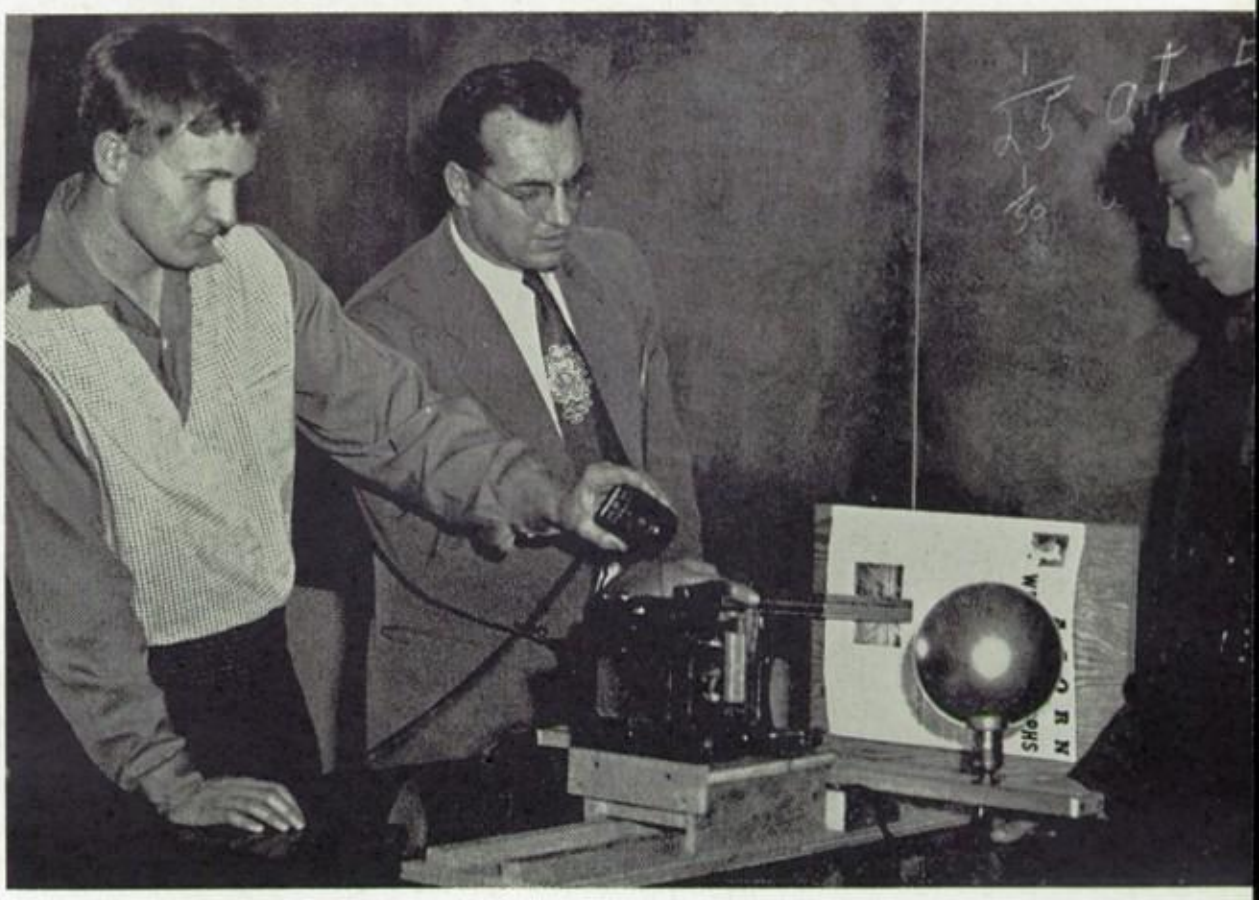
The marching band, over a hundred strong, kept each half-time alive with varied marches and formations. Even practice on Wednesday nights was popular with students and spectators. Here is the band in one of the formations used on the anniversary show for "Okie" and "Mac."

Here, Director Paul Liddicoat and several band members are shown making plans for the trip the band took to the U. of M.

Our color guards, Loren Bartrand, Ron Martin, Fritz Mauch, and Jack Bowles, held the flags high throughout the entire marching season.

PHOTOGRAPHY

Any student interested in taking pictures is eligible to join this photography class. Developing pictures, enlarging photographs, and operating cameras are but a few of the accomplishments. Mr. Cobb is our capable instructor.



ART: BEAUTY: TRUTH

"Art is doing anything that needs to be done in the best possible way of doing it."

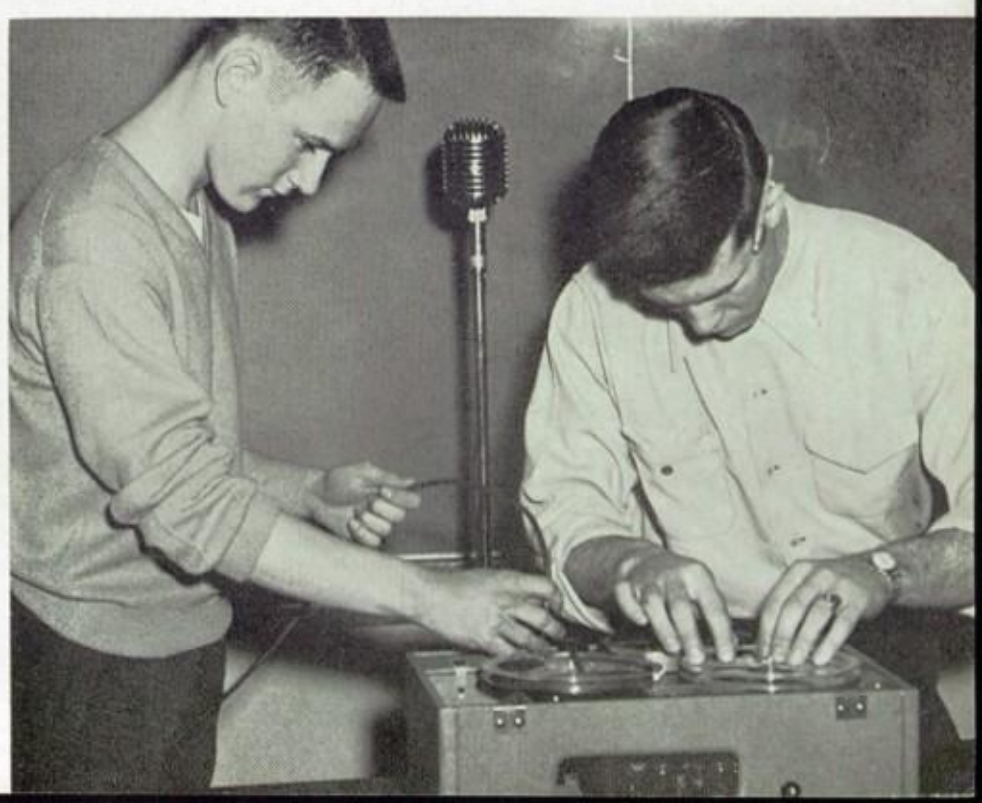
Although murals were popular again this year, in this picture we find several art students engaged in painting outdoor scenes near Central Junior High. In the photo are Bob Tobaison, extreme left; Aloha Rollenhagen, Louise Frens, Lavonne Hawkinson, and (standing), Robert Surfus and Charles Henry.

Presenting . . .

"Heights High Highlights"

This past semester the radio class, under the direction of E. W. Gillaspy, has produced a weekly radio program over WKNK.

Each radio student was responsible for one program. This student director organized the show and supervised participants.



WHO'S WHO IN '52

Most All-round

They're here, they're there, they're everywhere, Theresa Peliotes and Doug Murray.

Cutest Couple

Nancy Appel and Bruce MacIntosh hold top honor for being the cutest couple.

Best Looking

The title "Best Looking" is the property of Marilynn Fischer and Rod Wright.

Best Dancers

Tripping to the strains of popular music are Pat Scheel and Jack Boles.

Most Bashful

Our shy gal and guy this year are Elsie Borgula and John Fekete.

Best Actors

Who of us can act better than Donna and Alan Edick?

Class Cut-ups

Everyone is guessing what Kathryn McMahon and Bob Strah will do next.

Chosen from the graduating class of 1952, by the seniors themselves, are these 20 boys and girls who rate "tops" in popularity among their classmates. The voting was done in all senior 10 o'clock classes, on open ballots; that is, there were no nominations. Each senior voted for anyone he wished. In most cases, judgments coincided almost unanimously. There were a few close races, however. Look 'em over and see what you think.

Most Likely-to-succeed

"Tops" for most likely-to-succeed are Louise Morrow and Dick Cooper.

Most Athletic

When it comes to sports, Lavonne Hawkinson and Bob Marion will be there.

Class Flirts

How we sometimes wish we could flirt like Millie Januska and Bill Zeckzer.

ATHLETICS

Athletics at Muskegon Heights High was dealt a severe blow in 1951 with the announcement that the Southwestern Athletic Conference was to be disbanded at the end of the 1951-52 season. Therefore, the following pages record what will probably be the last Tiger teams ever to play in an official Southwestern Conference.

FIRST DAY

These returning lettermen played a tough schedule for the Heights in 1951. They met four of the State's top ten teams.

SILVER ANNIVERSARY

This year, local fans joined with high school fans, to celebrate the silver anniversary of Coaches "Okie" Johnson and Dave "Mac" McKenzie. In this photo we see the two coaches receiving identical sets of silver. At a later date, they received in addition, cash checks, "Okie," a car; "Mac" a television set.

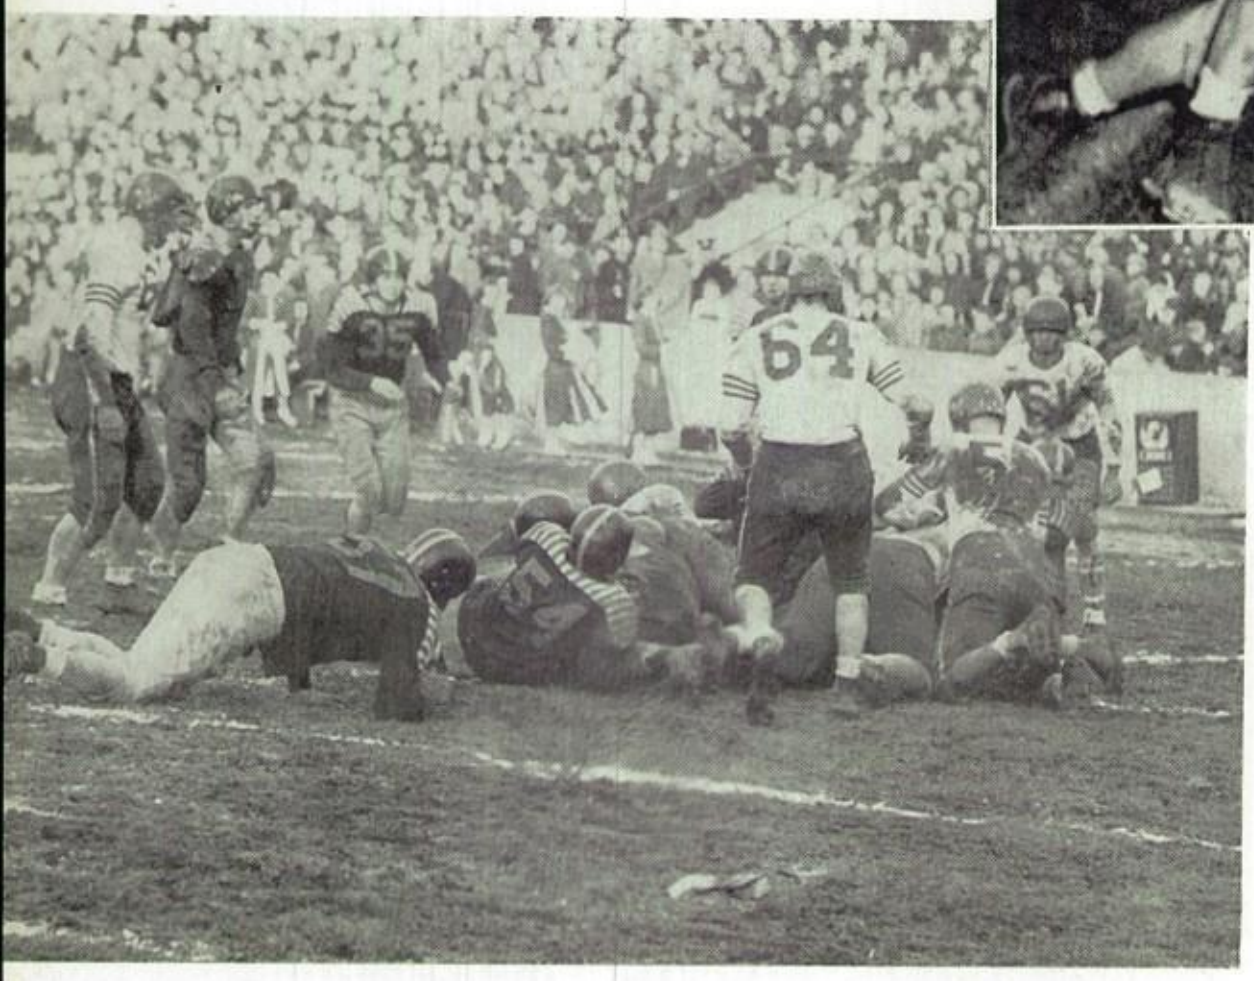
Here we see Winicki making another gain for the Tigers against powerful Catholic Central. Winicki later scored the Tiger's touchdown as they held Catholic to a one-touchdown margin.



FINALE

In this picture Bernie Winicki, Tiger halfback, plunges over a muddy Big Red goal line, to score the Tiger's only touchdown in the year's biggest game. This was the only touchdown in the Southwestern Conference scored against Muskegon, later named the State's top team.

The above opponents were named one-two in State grid polls.

RESERVE FOOTBALL

The Reserve team, under the coaching of David McKenzie and Larry Schaude, had a good year, winning 5, tying 2, and losing one which "ended them up" in second place in the Conference. Jinxed by Muskegon for the past four years, it was Muskegon again who tied the Little Tigers, and kept them from first place honors.

Lee Howell, Otto Smith, and Jerry Rowell were the standout performers of the season, with Howell and Rowell doing the running, and Smith snaring passes.

IN RETROSPECT . . .

Tigers 6, G. R. Catholic 14

The Tigers showed great strength against a powerful Grand Rapids eleven which went on to overpower all its opponents. Winicki scored the Tiger touchdown early in the first quarter when the Tiger line nailed the Catholic punter on the goal line. Catholic was named the best team in the state for 1952 by one of the leading newspapers.

Tigers 27, G. R. Creston 13

The Tigers bounced back after a tough first half to overpower the Polar Bears in a hard fought, hard won victory. Bernie Winicki was the Tiger standout, lashing into the Creston line for three touchdowns.

Tigers 0, Holland 0

The Tigers showed a complete reversal of form in this battle with twice beaten Holland. Although Bernie Winicki twice led the Tigers deep in Dutch territory, the Orange and Black didn't seem to have the scoring punch necessary for winning. Winicki, who handled the ball over 40 times for 150 yards was the standout player on the field.

Tigers 26, Union 6

The Tigers of Okie Johnson pulled off one of the State's biggest upsets by blasting a fourth-rated Union team 26 to 6. Keith Pohl scored twice, and Winicki and Phillips each collected one for the Tigers.

Tigers 6, Kalamazoo 7

The Tigers faced the invasion of a strong, determined Kalamazoo team and lost by the score of 7 to 6. After trailing at the half, the Tigers ended a 60 yard third period drive with Winicki scoring. Pohl, Winicki and Marion led the Tigers.

. . . RECAPS OF '51

Tigers 20, Grand Haven 7

The Tigers defeated a strong Grand Haven team 20 to 7. Roy Phillips scored the first touchdown going through right tackle. Bernie Winicki tallied twice for the Tigers, one with only 45 seconds left in the game, as he sped 47 yards with the pigskin on the game's last play. The Tigers had another tally which was called back on a penalty.

Tigers 0, Benton Harbor 0

By holding the fast Benton Harbor outfit to a scoreless deadlock the Tigers not only won a big moral victory, but also proved they had a strong defensive team. Winicki and Marion stood out for the Heights in this second scoreless deadlock for these old rivals in the last 4 encounters.

Tigers 25, Hazel Park 6

Playing under the most adverse conditions imaginable, the snarling proteges of "Okie" Johnson racked up their fourth victory of the season by smashing the Detroit team 25 to 6. Despite the blizzard, Murray, Winicki, Marion, and Ken Plichta all scored for the Tigers. The game was marked with the presentation of Silver Anniversary gifts to "Okie" and "Mac."

Tigers 6, Muskegon 26

Our Tigers became the only team in the Southwestern Conference to score against the Muskegon Big Reds. Despite this fact, the Tigers were outclassed by the resulting Associated Press State Champions 26-6. Bernie Winicki scored the only Tiger touchdown which was set up by a blocked punt. Outstanding for the Tigers in this Conference game were Murray, Wright, Marion, Strah, and Winicki.

Basketball at the Heights during the past winter has been both exciting and heartbreaking, but never dull. . . .

Most games had fans and coaches alike off their seats during the entire contest: battles with Grand Haven, Holland, Benton Harbor, and Ottawa were all of this type.

The squad, however, put on some of their best shows of the year in the Regional Tournament. After crushing Ottawa and Grand Haven, the team was edged by highly favored Muskegon in the final.

This fighting team surely deserves a real hand.

RESERVE BASKETBALL

The Heights Seconds coached by Larry Schaude, had a good season, winning 7 and losing 6. A vital blow was suffered by the Little Tigers when star forward Murt Johnson was moved to the first team. Another standout star who kept the team going was Otto Smith.

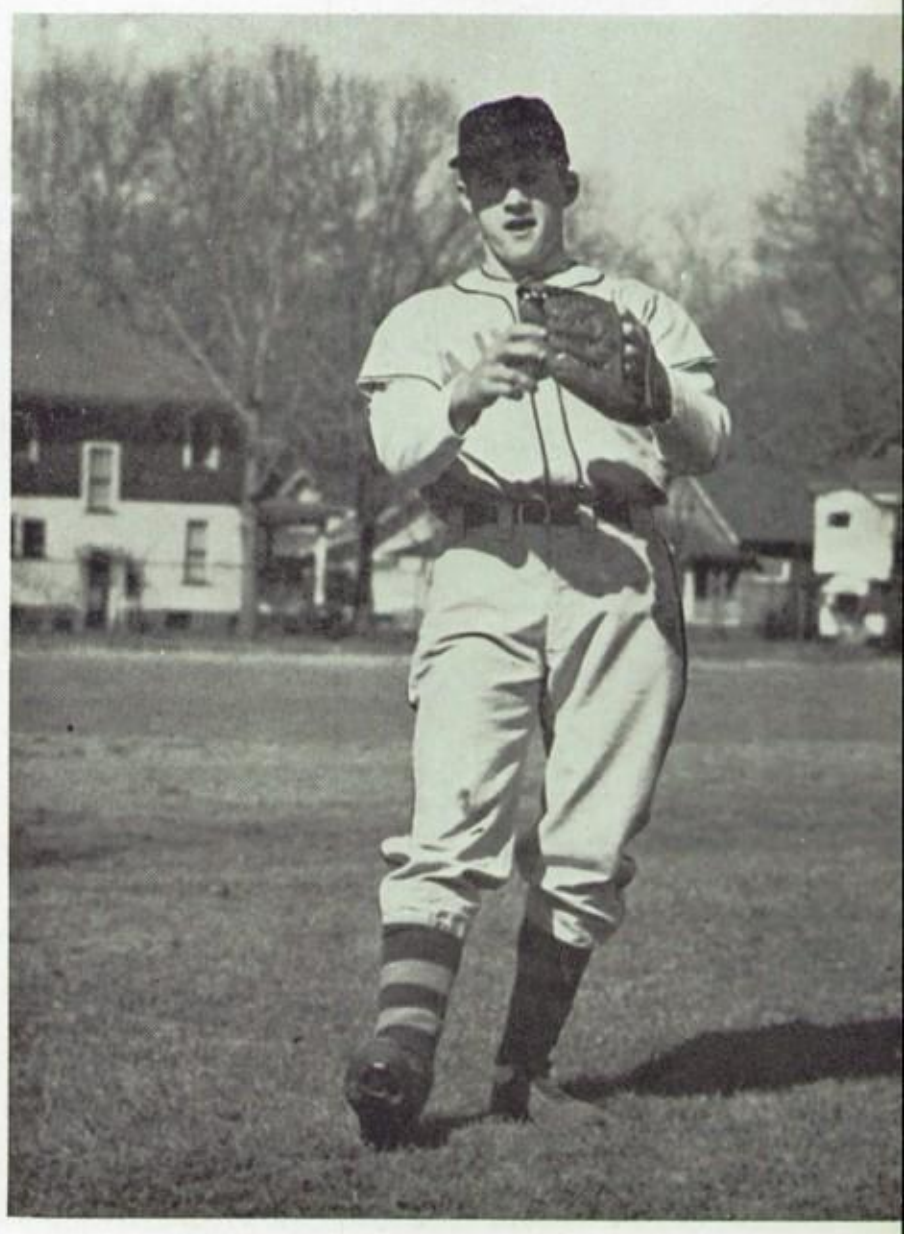
VARSITY BASEBALL

As the Oaks went to press, Coach Johnson was preparing for another baseball season. Prospects for this year's team looked good. On the mound, Coach Johnson will have Berni Winicki, stand-out hurler for the Tigers, and in the infield positions, Bruce MacIntosh, Dan Premo, and Jerry Zimmer, seniors, and Glen Cooper a Junior who looked good as a soph. In the outfield, Coach Johnson will have Doug Murray and Jim Ridgeway, stand-outs from last Year.

The team of 1950-51 won five games while dropping four and tying one.



Here's Berni Winicki, Tiger mound ace, who pitched many good games for the team this season.

PROSPECTS FOR '52

Track . . . coached by Mr. Dave McKenzie over a long period of years has been very successful. This year's track team welcomes back such top performers as Louis MacMurray, Ezekiel Hemphill, and Don Bickowski. Also out for the team is a flood of sophomores who can be developed.

1951 SEASON

The Cinder squad of 1951 never lost a dual meet throughout the season, and placed in all the big meets. For a school so small against all its competition The Heights had a very good season. Some of the standout performers over the year were Calvin Jeter, two-time winner of the Regional 440, and Louis MacMurray, hurdle specialist who placed first in the Conference, and is returning this year to try and set a record. Qualifiers for the State meet were: Louis MacMurray, Calvin Jeter, Ezekiel Hemphill, Delore Plichta, and Steve Vivian.

Back Row — Coach Firme, Johnson, Patterson, Hartman, Lambrix, Sutton.
Front Row — Osborn, Kerley, Hartman, Boles, Meisen, Miester.

TENNIS

Fifteen boys answered Coach Del Firme's first call for tennis players. Among the 15 were seven letter winners from last year's team which won three of 11 matches.

This year's squad will sadly miss the presence of Bob Mauch, who was expected to be one of the top players in the state this year. Mauch was stricken with rheumatic fever.

Don Talmadge seems to be the best of the returning lettermen, and around him and the newcomers Coach Firme hopes to build a team which will be capable of meeting the top teams in the conference.

ATHLETICS FOR GIRLS

The director of physical education classes is Miss Maxine Cobb, a graduate of Heights High.

The girls' physical education department has played soccer, fieldball, and volleyball, dancing, and basketball, track and softball, and intramural sports, under the direction of Miss Maxine Cobb.

Top Row: Hotham, Fielstra, Mitchell, Cooper.
Bottom Row: Kempker, Haskins, Jorgenson, McKentry.
